

LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA. In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1st Floor, LaSalle Building, 617 North 3rd Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, MARCH 17, 2009**, upon the application of **ENCANA OIL & GAS (USA) INC.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **HAYNESVILLE ZONE, RESERVOIR A**, in the Caspiana Field, DeSoto Parish, Louisiana.

1. To permit the applicant to drill, designate and utilize the following wells as unit wells: Jackson Davis 23H No. 1 Well for the HA RA SU73, Jackson Davis 24H No. 1 Well for the HA RA SU74 and Jackson Davis 25H No. 1 Well for the HA RA SU75, all at the locations shown on the plat submitted with the application, in exception to the spacing provisions of Office of Conservation Order No. 191-H, effective August 28, 2007, or within a radius of 50 feet thereof, to account for any slight variation in the actual "as drilled" location, but in no event closer than 330 feet from the nearest unit line and 660 feet from the nearest offset Haynesville Zone well.
2. To find that the proposed unit wells at the locations shown are necessary to efficiently and economically drain a portion of the reservoir covered by the units upon which they are situated and that use of such wells will not adversely affect offset owners.
3. To designate EnCana Oil & Gas (USA) Inc. as unit operator for each of the aforementioned units.
4. Except to the extent contrary herewith, to continue in full force and effect the provisions of Office of Conservation Order No. 191-H, effective August 28, 2007, as amended and supplemented by the 191-H Series of Orders, the units created thereby and applicable Statewide Orders.
5. To consider such other matters as may be pertinent.

The Haynesville Zone, Reservoir A was previously defined in Order No. 191-H, effective August 28, 2007, and was redefined insofar as the HA RA SU54 and HA RA SU73 through HA RA SU78 are concerned, in Order No. 191-H-34, effective December 9, 2008.

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Shreveport**, Louisiana.
